Fearrey wins PC nomination on second ballot

The joy of victory

Murray Fearrey of Haliburton was a happy man on Saturday afternoon as he accepted the nomination of the provincial PC's in Victoria Haliburton. His wife Darlene, left, was presented with a bouquet of

flowers as the Dysart reeve mounted the stage at I.E. Weldon school in Lindsay to acknowledge the applause of delegates and accept congratulations from the three other candidates.

Party pledged to win seat from incumbent

Murray Fearrey of Haliburton captured the Victoria Haliburton Progressive Conservative nomination in Lindsay Saturday, drawing the battle lines for a campaign to wrestle the riding away from Liberal incumbent John Ekins.

Fearrey won the nomination on the second ballot, easily outpacing Dave Murray of Fenelon Falls, Don McCumber of Emily Township and Larry McKnight of Minden.

While the Dysart reeve and his supporters were optimistic that he could win the nomination, the size and swiftness of the victory came as something of a surprise. Most insiders picked Dave Murray to lead on the first ballot, with Fearrey second and McCumber third. But Fearrey captured 343 of the 917 eligible votes on the first ballot, well ahead of Dave Murray, who polled 259 votes in the first round. That prompted some McKnight and McCumber supporters to come over to the Fearrey camp and opened the door to a second ballot victory.

The Dysart reeve entered the nomination race only two weeks before the convention but his campaign team, led by David Bishop, did an effective job of promoting their candidate throughout the riding.

The nomination convention appeared to signal a renewed vigour among riding PC supporters, who chose Fearrey over the more experienced election fighter, Dave Murray.

Behind-the-scenes work by Fearrey's campaign committee laid the groundwork for his win, but his speech to the convention also was a key factor, emphasizing a return to the grass roots and what he saw as a need to rekindle the "spirit" that existed under former PC incumbents Leslie Frost and C.W. Hodgson.

Fearrey gave priority to job creation in his speech, saying the goal could be accomplished through community college expansion (particularly significant for Lindsay and Haliburton) and enhanced retraining opportunities rather than "meaningless giveaways."

Commenting on the farming sector of the Victoria/Haliburton economy, Fearrey said farmers must have their priorities addressed by government, particularly the need for fair prices based on cost of production. While admitting that he was not strong on agricultural knowledge, he pledged to listen to

ment to raise money is to keep people working," Fearrey said, noting that this is the primary goal of Frank Miller's recently announced Enterprise Ontario platform.

Other topics that received some mention in Fearrey's eight minute speech were the Lindsay to Hali-

A campaign to watch ... page 4

farmers' concerns and work on their behalf.

Tourism also figured prominently in Fearrey's speech to the 943 delegates. The riding has "a natural opportunity" to expand its tourism base, he said, and the government must assist tourist operators by reducing or eliminating the food and liquor sales taxes that currently are passed on to travellers.

"The best way for any govern-

ment, and the concerns of the elderly.

Fearrey pledged that if he won the nomination, Victoria Haliburton would be a PC riding after the election.

"If we keep our common sense approach I'm confident that you and I will win on May 2," Fearrey told delegates.

Fearrey's speech was the first of

Dorset school to stay open

Board will stabilize enrolment with help of Muskoka

Dorset's public school will remain open for at least one more year and the Haliburton County Board of Education has agreed to do all it can to stabilize enrolment at the school.

The decision to keep the school open was made at a meeting last Tuesday and follows a recommendation of the board's special projects committee.

In a written report, committee chairman Ross Anderson recommended that the Dorset school continue to operate as a Kindergarten to Grade 4 facility with two teachers for the 1985-86 school year.

The school's future has been in doubt for several years as a result of falling enrolment. Closure has been staved off on previous occasions through discussions between trustees and parents.

In January the committee met once again with Dorset citizens who presented a feasibility study which included enrolment projections, impact on the community and business, community support and a statement of financial viability.

In February Anderson and director of education Stuart Baker met with parents of students, the principal and school staff to hear ideas about education alternatives for Dorset youngsters.

The committee also took a close look at enrolment and class organization at Irwin Memorial School in Dwight, where the Dorset students would be bussed if the school were closed.

"In general the committee found very strong support for maintaining the school in the community," Anderson said in his written report to the board. "Parents prefer to

have their children in mixed grade classes of smaller numbers at Dorset with a somewhat limited program rather than travel to Dwight while the children are in primary grades."

Parents agreed, however, that with the small number of students in each grade at Dorset, "there is a need, before the children reach Intermediate Division, to attend a larger school in order to experience broader educational opportunities."

Anderson said the committee found class loads at Irwin Memorial School to be "relatively heavy at present", and a scheduled building project there will not begin before the spring of 1986 at the earliest.

As well as recommending that the Dorset school be kept open for the coming school year, Anderson said next year's special projects committee should "explore all possibilities with Muskoka Board of Edu-

Fiery crash kills one man, critically injures second

One man was killed and another critically injured early Friday morning in a two car crash on County Road 14 four kilometres south of Eagle Lake.

Dead is James Ridgewell, age 49, of Eagle Lake. Ridgewell was northbound in a 1976 Ford when he lost control on a curve and slid into the path of a southbound 1981 Dodge taxi driven by Erick Witzke, age 53, of Dysart Township.

Ridgewell's vehicle was struck broadside and cut in half. He was thrown from the vehicle and died at the scene.

Witzke's vehicle burst into flames. He was pulled from the wreckage by Bryan Coppin, age 32, of Norland, who had been northbound and swerved his vehicle to avoid the collision. Using a coat to shield himself from the flames,

Coppin opened the door of the burning taxi and dragged Witzke clear.

Witzke suffered second and third degree burns, multiple fractures and serious internal injuries. He remains in a Toronto hospital where his condition is listed as critical.

No inquest into the mishap has so far been ordered.

In a related accident, a car was damaged when it slid off Highway 121 on Dover Spring hill east of Haliburton. Dr. Dennis Chong, age 25, was on his way to Haliburton Hospital in response to a call about the fatal accident when his car hit an ice patch and slid into the ditch. Both front fenders and the bumper were damaged. Chong ran down the hill and flagged down an ambulance. He later accompanied Witzke during the transfer to hospital in Toronto.

Bantams battle for title

A win on Friday would end the series

Haliburton's OMHA Bantams are just one game away from claiming the all Ontario championship in their best of seven series against Teeswater. After splitting the first two games of the series last weekend in Teeswater, the local boys came roaring back to win both matches at the Dysart arena over the weekend.

On Saturday night, playing before an enthusiastic crowd of about 450 spectators, Haliburton outchecked and outskated the visiting team to earn a hard fought but cleanly played 7-6 victory.

On Sunday afternoon local hockey fans once again were out in force to support the local boys, and neither players nor specta-

tors were disappointed. Led by Scott Russell, Haliburton was out in front 5-1 by the end of the second period and stayed on top of Teeswater to gain a 6-3 victory and an all but insurmountable three to one lead in the series.

The fifth and possibly deciding game will be played in Haliburton this Friday night. If a sixth game is necessary the venue will switch to Teeswater for a 1:30 p.m. start on Sunday.

A seventh game would be scheduled for Friday, April 13 in Haliburton but neither the local Bantams nor their supporters expect the series will go that far. Instead, Haliburton plans to garner the championship at home this Friday night with local hockey fans packing the stands.

James Ridgewell of Eagle Lake died when his car, at left, collided with a taxi, at right, driven by Erick Witzke of Haliburton. Witzke's car caught fire

following the accident. He remains in critical condition in a Toronto hospital.

Police News

Police week declared

National Police Week has been declared by the Solicitor General to be the week of May 11 to May 18, 1985. This year's theme focuses on "Youth and The Police" which parallels the United Nations Declaration of 1985 as "International Year of the Child".

The Ontario Provincial Police in the Peterborough District are planning a poster and essay contest open to all elementary school-aged children in Peterborough, Victoria, Northumberland and Haliburton Counties.

Students in kindergarten to grade four are invited to design posters no larger than 28 cm. (11") by 36 cm. (14"), showing some aspect of "Police in my Community".

Students in grades five to eight are invited to write a maximum 1,000 word essay on the topic of "What Police do in my Community".

A single winner will be chosen in each category and with their parents, the student will be driven in an O.P.P. cruiser to the Ontario Provincial Police Training Academy, Brampton, Ontario for a tour of the training facility including demonstrations by police dog handlers.

The student and parents will next tour the O.P.P. helicopter centre followed by a flight in the police helicopter over Toronto and surrounding area before returning home.

Posters and essays may be brought to any O.P.P. Detachment in the District, clearly marked "Police in Community Contest". The name, age grade and school of each student must be indicated on each poster or essay.

All entries must be received no later than April 17, 1985.

Judging of all posters and essays will be completed by the Fowlers Corners and District Lions Club and the winners announced during Police Week May 11 to 18, 1985.

The Provincial Police in Peterborough District encourage all students to participate in this contest.

The old Ingoldsby bridge became just so much scrap metal last Friday as workmen cut it up to make way for construction of a new, two lane bridge. The

narrows will remain closed to vehicular traffic through to at least the end of June.

Road to be improved in Gooderham

Municipal Report

At the March 6 meeting of Glamorgan Township council the following matters were considered:

Accounts were approved for payment: General Voucher, \$20,226.46; Road Voucher, \$9,381.17; Welfare Voucher, \$3,942.16; OHRP Voucher, \$6,154.10; and Recreation Committee Voucher, \$430.17.

The recommendations for Drainage Improvements (Alternative 2), and for Road Reconstruction in the hamlet of Gooderham, as contained in the Preliminary Road and Drainage Report prepared by Totten Sims Hubicki Associates (1981) Limited, November 1984, were accepted and the project will be undertaken in 1985 provided that the Ministry of Transportation and Communications approves a supplementary grant allocation to subsidize the cost.

Application will be made for Supplementary Allocation of Subsidy to the Ministry of Transportation and Communications for 1985 road expenditures totalling \$256,000.00 in accordance with the Road

Committee's recommendations.

Applications were invited for a person to work at the Glamorgan Township Waste Disposal site for the 1985 season on a basis similar to the 1984 work schedule but with final arrangements to be negotiated with council. Applications to be submitted no later than 4:00 p.m. April 2, 1985.

A brief discussion was held between council; David Bishop, legal counsel for the Township; Mrs. MacDuff and Mrs. Ingarra on the matter of chainsaw repairs/ Ontario Youth Corps Program operation and Mrs. MacDuff, Mrs. Ingarra, and Lawrence MacDuff took leave. Council acknowledged that Mrs. Clara MacDuff has made representation, for the third time on behalf of her son, Byron's, position on the Ontario Youth Corps Program, and after due consideration council confirmed its position regarding action taken. Council considers the matter closed and no further representation will be heard. David Bishop then reported

to council on a pending matter, and after due consideration, it was agreed that the Township's solicitor advise the solicitor acting for Dewey in the matter of the westerly limit of Township's lands in Lot 26, Con. 6, that when Dewey (1) acknowledges that he/she has no claim on the lands for which title is being requested; (2) agrees to cease using the Township's lands for his/her own and tenant's parking; and (3) agrees to fence the boundary between the said lands, in a manner satisfactory to council, council will further consider the feasibility of passing a by-law to dispose of the lands, for which title has been requested provided Dewey is prepared to assume all costs connected with the proposed transaction.

The Fire Agreement between the Township of Glamorgan and the Municipality of Snowdon, as amended by resolution 84-201, was renewed to December 31, 1985 and the reeve and clerk were authorized to affix their signatures and the Corporate Seal to the Agreement indi-

cating the renewal period, subject to approval of the Fire Chief.

Construction of the footbridge over the Irondale River will be proceeded with subject to the necessary approvals, with the Canada Works Program providing funding for labour and the Job Creation Committee providing necessary supervision.

Dalyn Pickens, Larry Hunter, Glen Madill and Elva V. Bates, were recommended as candidates to represent the municipality through the LEAD Corporation.

By-law 85-5, a by-law to establish a recreation and community centre committee, was passed. A copy of this by-law will be circulated to all committee members with a memo indicating that

Minden council hears road issue

At a meeting of Anson, Hindon and Minden council last Thursday, the following matters were considered:

Nell Miscio attended before council to protest the permission granted to M. Johnston on January 10, 1985, to construct a road at his own expense on the Concession Allowance between Lots 15 and 16, Concession 11, Township of Minden, to provide access to the rear of his property. Miscio told council she should have been contacted before permission was given. She said the proposed access road could be as close as 36' from her house and might decrease its market value due to noise and reduced privacy. The members of council agreed to notify Johnston of the objection and request that he not proceed with the construction of the proposed road until all parties meet to discuss any possible problems.

Mr. and Mrs. John Pentney, Jr., were present to apply for council's approval to construct a 'Home Improvement Centre' (retail outlet) on the property adjacent to and behind the former library lot on Peck Street, Minden. The clerk was requested to read advice obtained from the municipal solicitor regarding this application.

Council agreed in principle with a proposal to construct a Home Improvement Centre on part of Lot 3, Concession A, in the Township of Anson, as submitted by John Pentney Sr. in a letter dated March 11, 1985, provided that all provisions of By-law 14-67 as amended and the Ontario Building Code, are complied with.

Acting Reeve Ed Pergolas registered a nay vote since the approval was not made conditional on the advice of the municipal solicitor being followed.

Brian Adamson approached council to present a letter of objection on behalf of Nancy Adamson regarding the proposed construction. Adamson disagreed with council's interpretation that the proposed use complies with the existing requirements of the GCM zone in By-law 14-67, and expressed great concern over the possibilities of increased noise and truck traffic in an intersection which is already seriously congested. He also expressed concern over the municipality's ability to control outside storage on the applicant's property in the future.

The members of council confirmed that conditions regarding outside storage, noise and street use by delivery truck will form a part of the building permit requirements for this project. Council also confirmed its intention to curtail the use of Anson Street by truck traffic, and to work to improve the Peck Street - Main Street intersection.

Adamson concluded by stating that he was not

County briefs...

At the March meeting of Haliburton County council, the following matters were considered:

A finance report was given by Finance Chairman G. Lewis with recommendation for approval of the accounts as perused.

Accounts were approved in the amount of \$220,019.98 for the period January 16 to March 19, 1985.

There was a scheduled hearing from individuals, legal counsel or agents who requested to appear at County council regarding the construction of the Ingoldsby bridge covered in By-law 1316. Mrs. Mary McCrae, through her agent J. Curtin, spoke in regard to their

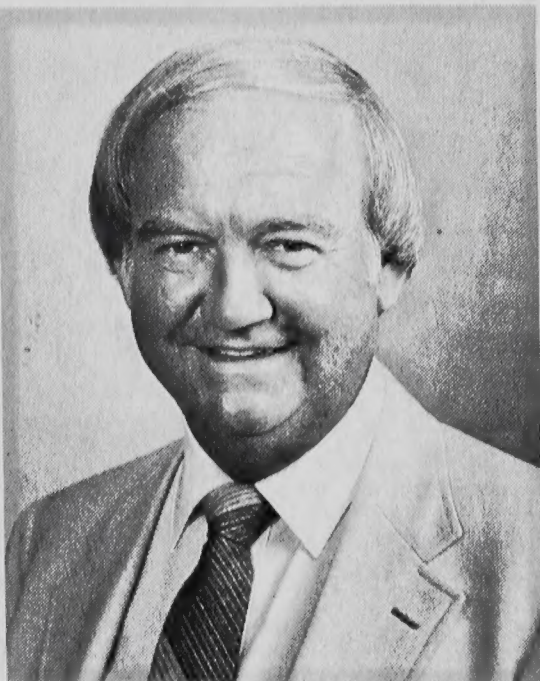

personal interest in property owned by themselves on the edge of the new bridge site. Mrs. Helen Newton expressed her concerns about the swimming area and her own property. Morgan Loucks, spokesman for Ingoldsby and other ratepayers in attendance, said the new bridge is greatly needed. Murray Fearrey expressed the County position and answered any questions which were of concern to the individuals.

A resolution by the City of Vanier was endorsed.

Haliburton County supported the resolution of the County of Lennox and Addington re. support on Welfare Assistance.

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW TO CLOSE, STOP UP AND CONVEY CERTAIN PORTIONS OF A ROAD MORE PARTICULARLY DESCRIBED HEREIN-AFTER.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Section 298 of the Municipal Act, R.S.O. 1980 as amended, that the Township Council of the Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, Haliburton, Ontario on Monday, the 8th day of April, 1985, a By-Law to close, stop up and convey to the adjacent land owner the following described lands:

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Dudley, in the County of Haliburton, being composed of Part of Wenona Road East on registered Plan of Subdivision Number 482, in the said Township, and being more particularly described as follows:- PREMISING that the bearings herein are astronomic and derived from registered Plan of Subdivision Number 482. COMMENCING at the North East point of Block A on registered Plan of Subdivision Number 482; THENCE North 24 degrees 01 minutes West, 66.10 feet to a point which is the South East point of Block B on the said registered Plan of Subdivision Number 482; THENCE South 62 degrees 56 minutes 10 seconds West, 90.41 feet to a point; THENCE South 40 degrees 25 minutes 40 seconds West, 263.30 feet to a point; THENCE South 20 degrees 57 minutes 30 seconds East, 420.77 feet to a point; THENCE South 20 degrees 53 minutes 40 seconds East, 124.41 feet to a point; THENCE South 32 degrees 40 minutes 10 seconds West, 200.19 feet to a point; THENCE North 53 degrees 58 minutes 50 seconds East on a straight line to a point which is the South West corner of said Block A, on registered Plan of Subdivision Number 482, and which is also a distance of 239.10 feet measured Northerly thereon on a course of North 69 degrees 35 minutes East from the South East corner of said Block A on registered Plan of Subdivision Number 482; THENCE North 44 degrees 54 minutes 30 seconds West, 56.18 feet to a point; THENCE North 20 degrees 53 minutes 40 seconds West, 124.45 feet to a point; THENCE North 20 degrees 57 minutes 30 seconds West, 381.63 feet to a point; THENCE North 40 degrees 25 minutes 40 seconds East, 174.98 feet to a point; THENCE North 62 degrees 56 minutes 10 seconds East, 73.75 feet to the point of commencement. SAVING AND EXCEPTING thereout and therefrom that portion of the original allowance for road laid out along the shore of Lake Wenona contained within the limits of the herein described parcel. WHICH SAID parcel or tract of land may be further illustrated on the said registered Plan of Subdivision Number 482, and which Plan was made by E.W. Petzold, Ontario Land Surveyor, dated February 19th, 1968, and is available for inspection at the Township of Dysart et al offices, Haliburton, Ontario.

AND TAKE FURTHER NOTICE that before passing the said By-law at the meeting to be held at the time and place above mentioned, the Township Council of the Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde shall then and there hear in person or by his counsel, solicitor or agent, any person who claims that his land will be affected by the said By-law and who applies to be heard.

DATED at Haliburton, Ontario this 11th day of March, 1985.

WAYNE B. WOOD, C.M.C.
CLERK-ADMINISTRATOR

This Week

Fearrey wins PC nomination

from page 1

the convention. He was followed by Dave Murray, Don McCumber and Larry McKnight, each of whom tried to whip up enthusiasm by noisy demonstrations and sign waving among supporters.

Results of the first ballot, announced shortly before 4 p.m., two and a half hours after the convention began, showed Fearrey in the lead with 343 votes, Dave Murray second with 259, McCumber third

with 183 and McKnight fourth with 132.

McKnight's name was dropped from the ballot, and delegates filed out for a second vote.

Party pledges unity

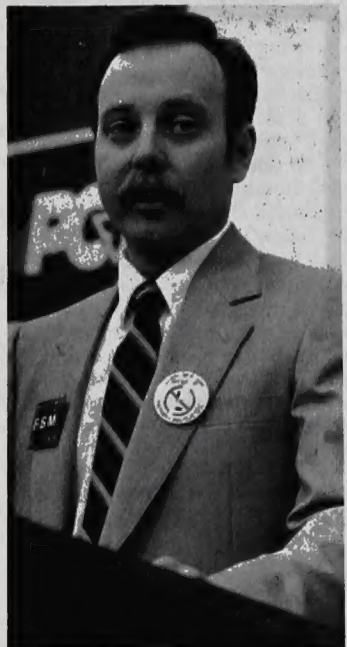

Shortly before 5 p.m. it was announced that results of the second ballot had been tabulated and a third ballot would not be necessary. Jubilation began to rise in the Fearrey camp, since it seemed unlikely that Dave Murray could recover from his first ballot disappointment.

Murmurs turned to cheers when the announcement came that Fearrey had received a convention winning 462 votes, followed by Dave Murray with 277 and Don McCumber with 153.

Piper Earl Cooper, who had earlier led Fearrey's demonstration into the I.E. Weldon auditorium, piped the winning candidate and his wife Darlene up to the podium, where Fearrey received congratulations from the other three hopefuls.

In a brief speech, he told delegates that he was "very gratified" to win the nomination and called for party unity in the election battle.

Fearrey will have offices in Minden, Fenelon Falls and Lindsay for the duration of the campaign.

Larry McKnight

A champion cow...

'Lueese' sets Canadian record

'Lueese', a Jersey cow owned by Bud and Paula Kirchner of West Guilford, has become the all time production champion for the breed in Canada.

'Lueese' established the record for protein production, setting a new nutritive standard for Jersey cows. In just over 300 days, Lueese produced 16,000 pounds of milk containing 992 pounds of butterfat (enough for 1200 pounds of butter) and 775 pounds of protein.

The title of production champion was awarded by the Jersey Association of Canada, based in Guelph, which compiles records for breeders across the country. Lueese earned the title in a category for cows at least 10 years old.

"We think it's quite a feather in our cap," Bud Kirchner said Monday.

The Kirchners have built up an award winning herd at 'Kirchesse', their farm on the Irish Line, by using the most advanced breeding techniques.

The record set by Lueese "indicates that our breeding program is working," Bud Kirchner said. Their emphasis has been on producing Jerseys whose milk would contain exceptionally high percentages of protein and butter fat, the primary

nutritional components of milk. To accomplish this goal, the Kirchners purchase semen from top Jersey bulls and breed cows with the genetic characteristics for nutritionally rich milk. The Kirchners' Jersey herd is now one of the finest in Canada, drawing international attention.

Along with careful monitoring of production statistics and selective breeding, the Kirchners enhance production by minimizing stress on their animals. In effect, the more 'contented' the cows are, the more likely they are to produce high quality milk in substantial volumes.

While Lueese is an exceptional cow, her production level is not a genetic aberration. It is the result of careful breed management. The Kirchners have proof that her genetic characteristics can be passed on. One of Lueese's daughters is showing similarly outstanding milk production.

"It can only mean a tremendous demand for (Lueese's) offspring," Bud Kirchner said. "We have enquiries from all over the world."

Later this year, Jersey producers from several countries are expected to visit Kirchesse to get a close up look at how the Kirchners' Jersey herd is managed.

Supporters of Murray Fearrey's bid to win the riding PC nomination celebrated long and loudly late Saturday afternoon as results of the second ballot were announced. Fearrey, at centre with his wife Darlene,

garnered the necessary majority, and will try to unseat Liberal incumbent John Eakins for the riding seat at Queen's Park when voters go to the polls on May 2.

Eakins will defend record in office

Incumbent Liberal MPP John Eakins has hit the campaign trail in a bid to retain his Victoria/Haliburton seat in the legislature.

Eakins' opposition for the May 2 election includes Murray Fearrey of Haliburton who was chosen on Saturday to carry the Progressive Conservative banner, and Art Field, who got the NDP nod in Lindsay on Sunday.

Eakins said Monday that he is confident his record of service to the riding will stand up to close scrutiny.

"I invite the candidates to review that record," he said, adding that those who claim the riding has missed out on grants because he has sat in opposition ranks have not examined the facts.

"I think the record will show that this riding has benefitted more than ridings" with PC members. More than \$5 million in grants have come to the area in recent years, while

Muskoka, represented by Frank Miller, has received only \$2 million, Eakins said.

"Those are not my figures. They're put out by the province."

"I will challenge anyone to tell me what we've missed out on. If we've missed out, everybody has missed out."

'If we've missed out, everybody has missed out'

"I'm going to the people in a very positive way," Eakins said. "I've worked hard for them and I've been able to produce for them."

Eakins, who was first elected in 1975, has been an opposition front bench in successive administrations. He has been critic for the Ministry of Tourism and Recreation, the MTC, and a member of the select committee of the Ombudsman.

He also chaired the Liberal Rural Task Force which toured the province to hear the concerns and hopes of rural Ontarians. Liberal initiatives on rural Ontario are expected to be announced by leader David Peterson during the campaign.

Eakins said he is "prepared to discuss the issues" with the other candidates, and expressed disappointment that PC leader Frank Miller has so far backed away from a formal debate with Peterson and NDP leader Bob Rae.

While Eakins acknowledged that the campaign will be a challenging one, he is not particularly concerned that the Conservative backlash that swept Brian Mulroney into power federally will be manifested on a similar scale in Ontario.

"I don't have the feeling that what happened federally is going to happen provincially as well," he said.

Eakins' campaign office will open officially this Thursday in Lindsay.

Dale Robinson, left, and Wayne 'Woody' Wood led the demonstration in support of Murray Fearrey on Saturday at the Victoria/Haliburton Progressive Conservative nomination convention in Lindsay.

Chamber manager resigns

Haliburton Highlands Chamber of Commerce manager Emily Skinner has resigned. Skinner submitted her resignation to the board late last week in a letter dated March 14. The resignation takes effect immediately.

Skinner, who was appointed to the job more than a year ago, has been in ill health for the past four months, and had been hospitalized four times since November.

Chamber board member Shawn Hagerman said Skinner resigned "under medical advisement that she should not continue any more as manager."

The board accepted her resignation "with regret" and expressed satisfaction with her work for the Chamber.

Skinner told the board she would be available for advice and consultation until a new manager is appointed.

Hagerman said the board will begin the search for a replacement immediately. In the meantime the Chamber's new office on Highway 35 at Minden will remain open with secretarial staff on duty.

Chamber president Ken Langdon is on holiday and was not available for comment.

Report From Parliament

by Bill Scott, M.P.

Tax money available for July 1

Our national holiday comes but once a year. It is a time to celebrate our nation and our achievements, both individually and together as Canadians.

A new Canada Day tradition is evolving in our country. That tradition is to celebrate our national holiday through special community events. These events are as wide-ranging and varied as the kinds of groups which sponsor them. What is important is that these celebrations commemorate the spirit of our nation, its people and their accomplishments.

This year, in honour of International Youth Year, Canada Day celebrations will focus on a "Salute to Canadian Youth", celebrating the achievements and potential of young Canadians.

If you would like to organize a community event to celebrate July 1, "seed money" grants are available from the Canada Day program sponsored by the Department of Secretary of State. These funds are not for 100% funding of your

event, and you will have to show widespread community support for your projects from other sources such as local businesses and local government.

The Canada Day program is also sponsoring a special Canada Day Youth Award for community ceremonies honouring young Canadians. This award is available to community groups who would like to honour a youth in their community at a Canada Day ceremony.

For more information and application forms for these programs, contact the Ontario Canada Day Committee at 25 St. Clair Avenue East, Toronto, Ontario, M4T 1M2, (416) 966-8682 (collect). A limited number of application forms are also available at my constituency office.

Please note that applications must be submitted to the Ontario Canada Day Committee, at the above address, before May 10, 1985. Applications received after May 10 will not be guaranteed consideration.

What are the key election issues?

Question

Catherine Denholm

We are going to hear over and over again what each party will do to employ more people. Some will want less government spending, a lower deficit and belt-tightening while private enterprise creates the jobs and the chairman of Telecom will still receive a salary of \$926,000 a year. Others will say there must be more spending to stimulate the economy to make more jobs available regardless of how we will ever pay the interest on the enlarged debt. We all know that no one knows what to do about it.

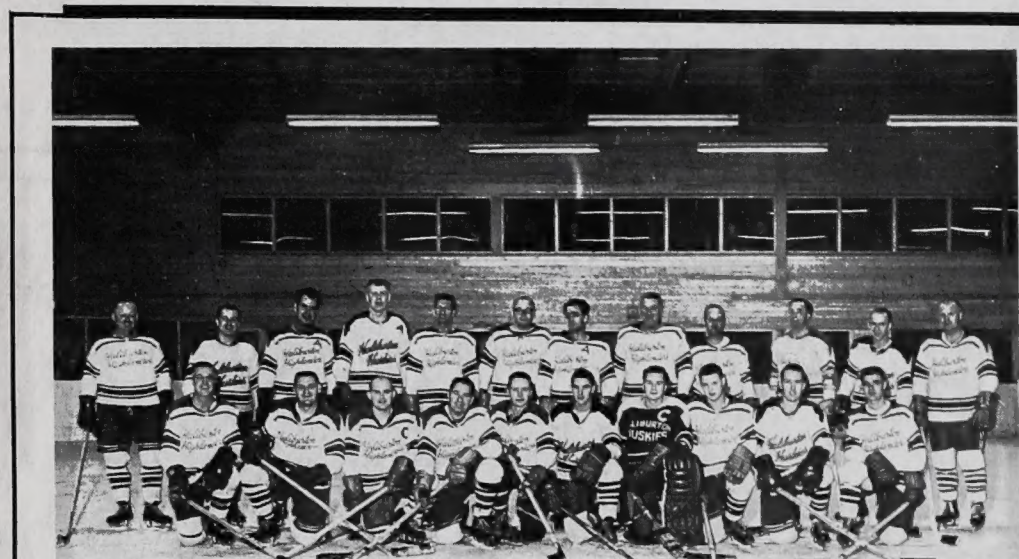

Whatever party forms the next government in Ontario will, as in the past, operate a week-to-week sort of operation to overcome each crisis that will arise. Some large companies will be bailed out with millions, others will get special tax breaks and many will go bankrupt. Money will be shuffled around to look like an improvement in

one department while others suffer. The decisions taken by any government in Ontario will, as always, depend upon the powerful influence of Washington, Ottawa and the financial power brokers of both countries. There is little, if anything, that the Ontario government can do about our economic situation. So why do we listen again to those old arguments?

Why not look at what each candidate will do for the quality of life in this province? Will our forests be regenerated and protected? Will this province push for faster action on acid rain than Bill Davis, again, talking about it with his American counterpart? Will there be better day-care for children and, above all, will education and re-education at all levels be recognized as the basic foundation of the future?

Will educational institutions in this province have the financial stability which allows changing with the changing times, which allows for improvements and upkeep and innovation? There will be no improvement in the future in employment or the arts, or music, or literature or in the quality of our lives or even the security of our lives if educational budgets continue to be reduced.

In this election campaign let us listen only to the changes which actually can be accomplished and which will make this province a good place for our children and grandchildren.

Pic of the Past

This coming Saturday night the CKVR No-Stars will be at the Haliburton arena to take on the Haliburton Chalkdusters in an exhibition hockey game. Thanks to Grant Rae we are able to bring you this picture showing a Haliburton team that was assembled in 1967, just two years after the new arena was constructed, to play the CKVR No

Stars. It was the last time that they were in town. Some of the players shown in the photo were Huskies oldtimers and some were from the current Huskies roster of that time. The money raised was used for minor hockey. Back row from the left: Vance English, Mervyn Bain, George Nicholls, Grant Rae, Mark Scheffee, Ken Wilson, Ken Carnochan, Joe Iles, Murray Austin, Ron Curry, Tony Salvatori, Herb Baker. Front row from the left: Harry Brohm, Mark Schell, Scott LaRue, Len Salvatori, Curry Bishop, Rick Bain, Gord Henry, Jim Scheffee, Stuart Baker, Bill Rennie.

Big shoes to fill as manager resigns

Chamber

It is with deep regret that the board of directors accepted the resignation of Emily Skinner this past week. As manager of the Chamber of Commerce Emily contributed her vast skills and knowledge to promote the Haliburton Highlands in a variety of ways. We have lost our biggest asset and her replacement will have to fill big shoes. Thank you for everything Emily. You will be sorely missed.

Attention summer residents: The Ingoldsby bridge has been torn down now and there is no access to the village from Highway 121. You must use South Lake Road and County Road 1 or drive to Haliburton village and take County Road 1 to your cottages. If you are planning to open your cottage on Easter weekend keep the detour in mind.

Apologies to the LeBlanc's. We gave credit to

their parents, the Levesque's, for contributing their time at the Sportsmen's show. No matter what we called you, we appreciated everything.

We welcome the following as new members: Riverview Furniture and Minden Upholstery, The Village Shoppe, Haliburton Veterinary Services, Beachli Construction (1984) Ltd., Beau Valley Farms and Haliburton Marine (1984).

There has been some exciting hockey played in the County this past week. Haliburton Bantams are playing for the All-Ontario finals against Teeswater and Minden Juveniles are playing for the all-Ontario finals against Paisley. The Haliburton Oldtimers also had a successful weekend playing in a tournament in Gravenhurst. They won all four games in their division for a championship and also wrapped up the fair play trophy. Congratulations to all these boys, young and old.

Thank you to the following members for their donations to our building fund: Super Buy Distributing, Nordic Inn, Township of Anson, Hindon and Minden, Edgewater Beach, and Hospitality Inn.

Spring brings changes in natural world

Ontario Naturalists

Nature is finally beginning its march toward spring.

The same events that produce those beautifully warm, late-winter days are triggering both physical and behavioural changes in a host of mammals and birds. For some, it's mating season. For others, it's birthing time, or nesting season. For others still, it's time to begin

northward migration.

Lengthening daylength - biologists call it photoperiod - is a much more important cue than temperature in triggering these changes. The significance of daylength is no accident, because it's not subject to the same vagueries as weather.

It would be dangerous, indeed, for many animals to react to a premature, warm mid-winter spell, only to be jolted or killed by a late-winter storm. Daylength, by contrast, is as regular as clockwork.

Emphasis on image masks politicians

Letters

from page 4

considered a shrewd strategist and media manipulator, but will he gain respect as a leader that is sensitive to common concerns? Increasingly the politics of our time seem relegated to less and less incisive debate and yearly are more concealed by the accumulating layers of studio greasepaint. As that emphasis for image gains ground on realistic political contribution we risk some day being left with nothing but pure mime.

Gary Kenney
Blairhampton

Spa questioned

To The Editor:

I am writing in response to last week's letter, "Objection Over Spa Raised". Having spent a good deal of my life on Lake Kashagawigamog, I wish to express my deep concern over the proposed spa. There is little sense in presenting the previous argument again as it gave the reader both sides of the story in a concise and accurate manner. The conclusion which I hope most arrived at was that Haliburton does not need, nor desire, another resort on Lake Kashagawigamog.

Those in favour of such a resort see only dollar signs. This resort will be catering to people who are willing to pay unusually large fees each week for "exclusive services". The amount of money

which is actually circulated to local people will be insignificant. This venture will benefit a small group at the expense of many. I am one of a number who is tired of seeing monetary considerations come before environmental, and ultimately, spiritual needs.

Is Haliburton striving to imitate Muskoka and the Kawarthas? I hope not, as this area would lose just a bit more of what people come here for - its "uniqueness".

The Haliburton OMHA Bantam Huskies were a tired but jubilant hockey club on Saturday night as they defeated Teeswater to take a 2-1 lead in the best of

seven provincial final series. The local boys won again Sunday, and now are just one victory away from the title.

Minden Monarchs need win to capture all-Ontario title

The Minden Monarchs Juveniles are only one game away from winning the All Ontario Juvenile DD Championship. They could wrap things up with a victory over Paisley in the third game of the best three out of five series at the Minden arena this coming Sunday at 7:00 p.m.

Playing in the first game of the series before a crowd of well over 450 hometown fans last Saturday, the Monarchs proved too much for Paisley, skating to an 8-2 win in a game played last Saturday afternoon.

The Minden team came out of the gate all fired up and left no doubt they were out to win.

Scott Hamilton wasted very little time before he had Minden on the scoreboard on a pass from Bernie Upton and Boomer Stamp. The game was only a little over a minute old when Minden scored the first goal.

Two minutes later Minden made it 2-0 on a goal by Jeff Howe. Later in the period Lennie Johnston, who has been scoring goals lately at a fast pace, connected on a two way passing play with Jeff Howe. With only 21 seconds left to play in the period Johnston got his second goal of the game and at this point it looked like Minden, leading 4-0, might walk away with the game.

In the second period each team exchanged goals. Barry Boice scored for Minden but near the end of the period Paisley came back to notch their first goal of the game. At the end of the second Minden retained a comfortable 5-1 lead.

In the third period it was all Minden again as they added three more goals while

holding the visiting Paisley team to just one. Tim Woods, Scott Hamilton and Boomer Stamp tallied for the Monarchs. One of the prettiest goals of the game came with only five minutes left when Boomer Stamp of the Monarchs, who was motoring all evening, picked up the puck in his own end and skated the length of the ice through a maze of Paisley players, pulling the goalie out of the net and driving the puck home.

The visiting Paisley team took 16 minutes in penalties while the Minden Monarchs were penalized for a total of 12 minutes. Final score was Minden 8, Paisley 2.

On Sunday the teams re-

turned to Paisley for the second game of the series and after a slow start the Minden Juveniles came out victorious by the score of 6-4 to take a two game lead in the series.

The long bus trip to Paisley appeared to take its toll on the Minden players and before they knew what was happening Paisley had a commanding 3-0 lead in the first period.

In the second period Minden got their legs and fought back to tie the score. With less than five minutes left in the period Minden finally got on the scoreboard when Lennie Johnston scored. A minute later Boomer Stamp did it again, pulling off an

end to end rush to give Minden their second goal. With only 51 seconds left Bernie Upton scored on a three way passing play from Boomer Stamp and Barry Boice to tie the game at three goals each.

The Minden club put the game away in the third period on goals by Boomer Stamp, Barry Boice and Lennie Johnston while Paisley denied the twine only once.

Penalties were evenly divided in this game with Minden sitting out 35 minutes and Paisley 33.

The third and possibly final game of the series is this coming Sunday evening at the Minden arena. Game time is 7:00 p.m.

Teams play hard in Glen Dart

A total of 10 teams were on hand at the Dysart arena on Saturday to compete in the annual Glen Dart Memorial hockey tournament.

House league squads from Haliburton, Minden and Wilberforce took to the ice in quest of trophies presented by members of the Dart family, Roger and son Devon of Haliburton, and Jack and Jean Dart of Oshawa.

In the opening game Minden Tykes outscored their opponents from Haliburton by a 2-1 margin.

Scoring for Minden were Ryan Ladurantye and Dennis Woods, while the lone Haliburton marker was netted by Joshua Burke.

Game two pitted Haliburton Novice White against Minden Novice with results that came as no surprise to anyone who has followed the fortunes of the Haliburton squad this season. Undeclared throughout the regular schedule and playoffs, Haliburton added yet another win to their total on Saturday by a 6-2 margin.

Mark Morissette was the top point getter for Haliburton, notching four goals, while Kevin Morissette had two markers. Scoring for Minden were Todd Scarlett and Andrew Sisson.

Mike Martin was named star of the game for Minden, while Kevin Morissette got the nod for Haliburton.

The third game of the tournament was another Novice matchup, this time between Haliburton Blue and Minden White. Final score was 5-1 in favour of Haliburton.

Scoring for Haliburton were Jonathan Bishop with three, Ken Teasdale and Mark Stamp. Minden's goal was scored by John Henderson.

Mark Stamp was the star

of the game for Haliburton, while goaltender Jeremy McGee was a standout for Minden.

In game four Wilberforce Atoms outplayed Haliburton and came out on the winning end of a 6-1 score.

Scoring for Wilberforce were Jason Hudder with five goals and Jason Bowen with one. Jason Ashman had Haliburton's only goal.

Jason Hudder got star honours for Wilberforce. Peter Buckley was Haliburton's star.

Game five was a matchup between Haliburton and Wilberforce PeeWees, and it took an overtime period to decide a winner, with Haliburton edging out the visiting team 8-7.

Haliburton's goals were scored by Monte Miscio with five, Kevin Ashman with two

Bantams near victory as Teeswater fades

The OMHA Bantams played the third game of the All Ontario Championships against Teeswater last Saturday and won 7-6.

There were 450 fans on hand to welcome the Huskies onto the ice last Saturday and despite a rousing ovation the home town was behind by a goal after only 33 seconds. The Teeswater lead was short lived, however, as Haliburton tied it up 34 seconds later on a goal by Jeff Francis assisted by Erin Nicholls and Drew Mitchell.

Ron Perrin put the Huskies ahead at 10:50 of the first period assisted by Jeff Francis. Teeswater scored two more in a row before Erin Nicholls tied it up again with a fine solo effort with 1:22 left in the first period.

Teeswater took the lead again with only 24 seconds remaining in the first and the score was 4-3 for Teeswater at the start of the second period. The Huskies tied it again at 13:26 of the second period on a goal by Colin Hunter assisted by Erin Nicholls. Nicholls put the Huskies ahead at 9:54 of the second assisted by Colin Hunter and Jeff Warburton.

Jeff Francis widened the lead to two on a hard shot to the upper corner assisted by Erin Nicholls and Ron Perrin. Teeswater scored two more in the second to leave the score tied at 6-6.

The third period saw both teams get some excellent chances but due to close checking and good goaltending Haliburton scored the only goal for the period at 10:26. Drew Mitchell drifted a backhand shot past the Teeswater goalie after Erin Nicholls won the faceoff. There were only 10

before Erin Nicholls on a fine solo effort scored at 4:08 to give the Huskies a 6-2 lead. Teeswater scored again at 1:42 of the third period and the game ended at 6-3 for Haliburton. Haliburton now leads the series three games to one.

The next game is in Haliburton Friday, April 5 at 8:00 p.m. The Huskies could win the All Ontario Championships this Friday with a victory and the support and enthusiasm are all pointing in that direction.

Good puck handling, solid checking and fast skating were the keys to victory for the Haliburton OMHA Bantams over the weekend in games three and four of their series against Teeswater.

Game 5 on Friday

minor penalties called in the game and the fans were treated to some fast, exciting hockey.

On Sunday at the local arena the fourth game of the best of seven was well attended again with approximately 440 people in the stands. The hometown fans were not disappointed. Backed by goaltender Gavin McKnight the Huskies combined some heavy hitting with a quick offensive pattern to overwhelm Teeswater by 5-1 by the end of the second period.

Teeswater opened the scoring at 12:27 of the first period before Erin Nicholls tied it up on a pass from Scott Russell. Colin Hunter put the hometown ahead at 4:56 on a relay pass from Scott Russell and Jeff Warburton. Scott Russell, recovering from a mediocre Saturday night game, scored three goals in a row with the first one being assisted by Erin Nicholls and the next two unassisted.

Teeswater scored at 7:21 of the third period

Bears win championship with 3-2 defeat of Apsley

Haliburton's House League Bantam Bears won the league championship on Wednesday, March 27 with an exciting 3-2 overtime victory over a very stubborn Apsley squad.

Chris Coumbs scored the winning goal at the 4:36 mark of the overtime period on a nifty set up by Ben Packard and Scott McKee. Earlier Haliburton goals were scored by Jeff Emmerson from Greg Scheffee and Brent Flood and Ben Packard from Scott McKee and Philip Johnston. The victory capped a fine playoff series with Apsley in which the Bears emerged victorious with a 2-1 edge in games in the best of three series.

Earlier games had resulted in a 5-1 Apsley victory on March 24 and a very exciting 5-4 Haliburton victory in double overtime on March 22. In that game the two teams were reduced to three skaters a side to break the 4-4 tie before Chris Coumbs scored on a set up from Ben Packard to win the game. Coumbs also had scored earlier in the game assisted by Scott McKee. Other Haliburton scorers were Scott McKee with two goals assisted by Ben Packard and Chris Coumbs and Ben Packard assisted by Scott McKee.

Throughout the series, the Bears received excellent defensive work from Philip Johnston, Paul Robinson, Jason Rowden and Kelly Youngdale as well as outstanding goaltending from Mike McKay and Mark Robinson.

The Bears and coach Dale Robinson, manager Maurice McKee and trainer Dave Hodgins expressed thanks to all the loyal fans for their support throughout the season.

Final point standings for the year are as follows:

NAME	GP	G	A	PTS.
Greg Scheffee (C)	22	6	15	21
Jeff Emmerson (LW)	20	12	5	17
Ben Packard (C)	22	22	17	39

Oldtimers win tournament in Gravenhurst

This past weekend Haliburton took part in their first ever Oldtimers Hockey Tournament in Gravenhurst. The local team played a total of four games without a loss.

On Friday night the Oldtimer Huskies played a team from Gravenhurst and came

away four to nothing winners.

Scoring for Haliburton were Gary Brohman with two and Glen Scully and Roy Scott with one each. Larry Hartin obtained the shutout.

Saturday morning the Huskies played Orillia and

came away with a 1-1 tie. Bev Billings scored the lone goal for Haliburton.

In the third game Haliburton had an easy 9-1 win over another team from Orillia. Scoring for Haliburton were Gary Brohman and Bill Johnston each with hat tricks, with singles going to Bev Billings, Roy Scott and Glen Scully.

In the championship game the Oldtimer Huskies came up with a solid effort to win the game by a 5-2 count. Gary Brohman got Haliburton on the scoreboard early in the second period. At the seven minute mark Bev Billings made the score 2-0. With three minutes left Brian Black scored to put the Oldtimer Huskies up by three.

Then in the last minute of the game four goals were scored. Orillia pulled their goalie for the extra attacker and scored two quick goals. But Bev Billings and Wells Robertson both scored in the

open net to take the pressure off and give the Oldtimer Huskies the championship.

Members of the team were Larry Hartin in goal, John Robinson, Willie Gruber, Stuart Baker and Wells Robertson on defence; Bev Billings, Roy Scott, Glen Scully, Bill Johnston, Gary Brohman and Brian Black playing forward.

The Canadian Oldtimers Hockey Association also presented a fair play trophy to the team in the tournament which exemplifies the importance of fun and sportsmanship, the real reason for Oldtimers Hockey. Stuart Baker accepted this trophy on behalf of the Haliburton Oldtimers Huskies.

Daisies lead playoff round

After the first game of the playoffs in the championship round of the Wednesday afternoon bowling league, Daisies have 3470 points,

Asters, 3337, and Petunias, 3263.

In the consolation round, Forget-Me-Nots have 3301, Roses, 3242 and Marigolds, 3048.

Bowlers rolling 200 and over games this week are: Ev Stata, 214, 230, 610 triple; Sandy Barr, 254; Sue Titus, 201; Fran Woods, 207; Mary-Lou Bird, 244; Harold Kirkpatrick, 203, 207; Dorothy Baker, 206; Dorothy Stirrett, 201; Kay Barry, 222; Sybil Hunt, 202; Caryl Harrison, 204; Joan Brown, 227; Harry Henderson, 209; Lois Whitaker, 219; Wendy Kirkpatrick, 206.

Glen Dart

from page 6
and Chris Dair with one. Scoring for Wilberforce were Cory Hunter with four, Scott Ellis with two, and Bob Craftchick with one.

Monte Miscio was named star of the game for Haliburton, with Wilberforce's Scott Ellis earning top player honours.

Seniors wrap up curling season with fun day at rink

By GLADYS REID

The Seniors Curling Club of Haliburton held a fun day last Thursday to finish off the season.

A short meeting was held, followed by the presentation of prizes.

Series "A" was won by the rink of skip Ed Picard, Roy Nicholls, Eleanor

Holmes and Norma Hodgson.

Runner up in the "A" series was Bruce Armstrong's team of Donald Clee, vice, Mike Hawman, second, and John Dobrinsky, lead.

Second series winner was the rink of Walter Webb, Bruce McKay and Jack Har-

rington and Maxine Cross.

Runner up of this series was the team skipped by Gloria Nimigon, vice Ev Harding, second Fred Knight and Velma Sine lead.

A special trophy was presented to the female lead with the highest number of points for the regular season. Winner of this special trophy

was Wally Knoblock.

Tom Stinson was awarded the honour of custodian for a year of the Curling Boy, a ceramic figurine.

Consolation prizes were donated by Nick Nimigon to other teams in the league.

Beautiful plants were presented to the social con-

IT'S BETTER TO BE AT HOME

Ongoing medical care no longer has to mean an extended stay in hospital. Most people recover faster and feel better in the comfort of their own home.

Across Ontario, the Ministry of Health's Home Care Program can bring the health services you need right to your doorstep - services like visiting nurses, physio and other therapies, drugs, dressings and medical supplies, laboratory services. Homemaking and meals-on-wheels are purchased from local community services as needed.

There is no charge, if you qualify. To be eligible you must be under the medical supervision of a doctor, and need a professional health service that cannot be met on an outpatient basis.

Here's how it works. On the advice of your doctor, you may be admitted to the Program either from a hospital or from your home. A home care team, in consultation with your doctor, will provide the visiting service you need. Once you are well enough, you will be discharged from the program and referred to other community services as needed.

For more information on the Home Care Program and whether you qualify, please contact the area office nearest you:

Flood donation sparks debate

Despite strong protest from acting reeve Ed Pergolas, Anson, Hindon and Minden council voted last Thursday to contribute \$50 to a flood relief committee in Kent County just east of Windsor.

The contribution was \$25 less than had been proposed by acting deputy reeve Gary Kenney in a motion responding to the Kent

County appeal.

Pergolas spoke against the motion when it was brought to the table late Thursday night, saying it was not in order. He said council has no mandate to spend taxpayers' money on projects outside Haliburton County.

"There are too many organizations around here that need money," Pergolas said. He called the motion to contribute to the Kent relief fund "facetious" and said councillors should consult the taxpayers first.

"It's not these people that you should be giving the money to," Pergolas said. "It's the Red Cross."

He said flood relief was a responsibility of the provincial government, not local councils. "I feel badly about (the Kent County flood) too, but I'm not prepared to take on the province's responsibility," Pergolas commented.

Kenney saw a note of irony in the length of time that was spent arguing about the Kent Flood donation, wondering aloud what would happen if as much time as spent scrutinizing every municipal expenditure.

"Why do we spend \$1100 at the annual Good Roads convention when nothing really comes of it?" Kenney said.

Pergolas responded by emphasizing that councillors' responsibility "is to spend taxpayers' money (in a way) which benefits the municipality."

"Well, that's your interpretation," Kenney countered.

Pergolas said it is easy for council to be "bigshots with someone else's money."

Kenney said he wouldn't be long in reminding the acting reeve of his concern about spending money outside the municipality.

When the matter was put to a vote, Kenney, Dave Stevens and Pat Burk supported it, while Pergolas voted thumbs down.

"I don't know how you get away with it but you do," Pergolas told Kenney following the vote. "Boy, you've put one over on them (council)."

Supporters of Dave Murray listen intently as their candidate speaks to delegates at the PC nomination convention in Lindsay on Saturday. Despite a well organized demonstration and campaign, Murray failed to win the nomination, which went to Murray Fearrey.

LEAD program meeting set

A public meeting will be held in Haliburton next Thursday to form a board of directors for the planning phase of a Local Employment Assistance Program.

Planning co-ordinator Andy Campbell said the meeting will begin at 7:30 p.m. April 11 at the Legion hall.

Representatives of the 10 municipalities in Haliburton County are expected to be on hand, and anyone interested in serving on the board of directors or in commenting on the program is invited to attend.

The planning phase is expected to take about three months to complete, after which a formal report will be made to federal authorities recommending how up to \$1.5 million should be spent in the county over the five year life of the program.

Education budget is put on hold

Local taxpayers will have to wait until at least the end of this month to find out how much money the Haliburton County Board of Education will need to meet its obligations for 1985. Trustees have prepared a budget but they have been unable to pass it pending notification of provincial grant regulations.

The regulations have now been received, clearing the way for the budget to be adopted either at the end of April or sometime in May.

HAVE committee plans walk in June

The local Help a Village Effort committee has announced plans to hold its second annual fund raising walk on Saturday, June 1. This year's walk will start at Minden's municipal building and cover a 25 kilometre route around Horseshoe Lake, ending up at Minden Rotary Park.

Walk organizer Nada Vaughan of Haliburton said an environmentalist will accompany people who have a particular interest in nature.

"The Walk is for everyone - families, schools, clubs, churches, businesses, cottagers, visitors - no matter what their age," Vaughan said. "It's an opportunity for all of

us, both inside and outside the county, to express a practical concern for the desperately needy in our world."

The local HAVE committee is registered as a charity with Revenue Canada, and funds raised through the walk and other projects are matched by the Canadian International Development Agency. CIDA recently confirmed an \$11,600 contribution to HAVE projects, equalling funds raised by the organization in 1984.

All funds raised by the Walk in June will be used for water-related self help projects in poor areas of the Third World.

Board of Education briefs

A regular meeting of the Haliburton County Board of Education was held in the Board Office on Tuesday, March 26, 1985, commencing at 8:00 p.m. Present were: Paul Wilson, Chairman of the Board, Ross Anderson, Bonnie-Lee Berry, Lynn Craigmyle, Kelly Crick, LeRoy Eager, Julie Hunter, Linda Mumford, Cheryl Murdoch, Leonard Salvatori, Brian Sisson, Nancy Stinson, George Simmons, David Villard, Stuart Baker, Stan Baker. Absent was: Dorothy Kinsman. Also present were Lynda Easton, observing for teaching staff, and McKay Brydon.

The board will increase the secretarial assistance at Victoria Street Elementary School by one-half day per week. This provision is to be contingent upon the principal of Victoria Street Elementary School also holding the position of Primary Consultant. This time is to be organized at the discretion of the principal.

The board accepted with regret the resignation of Linda Romanick effective August 31, 1985.

McKay Brydon spoke on behalf of the Ad Hoc Sabbatical Leave Committee and presented the committee's recommendation. The board granted the sabbatical leave requested by John Fitzgerald for the school year 1985-86.

The Salary Agreement between the Haliburton County Board of Education and the Secondary School teachers of Haliburton County was ratified.

Bonnie-Lee Berry, chairman of the C.E.D.S.S. committee, reviewed with the board Phase 1 of

the C.E.D.S.S. review completed in June, 1984. She explained that Phase II is now in progress with the objective having been set to have a report prepared for the board's consideration by June, 1985.

Ross Anderson reported on behalf of the Special Projects Com-

Please turn to Page 18

Grant given

A group of retired people from Haliburton will receive a New Horizons grant for \$9,913, federal Health and Welfare Minister Jake Epp announced recently.

Haliburton Seniors Curling Club will improve curling facilities and increase participation from seniors.

New Horizons is a federal government program that enables retired people to create projects of their own choosing. It offers grants to groups who undertake activities for the benefit of themselves and others in their community. The accent is on local needs as seen by older people and on their willingness to meet such needs.

Dorset school

from page 1

cation in an effort to stabilize the school's enrolment" and should maintain communication with parents and the community.

A letter outlining the committee's findings and the board's decision has been sent to parents in the Dorset area.

Snow blankets spring signs

Minden News

by Maizie Austin

Ruby Francis is at present a patient in the Minden Hospital. Get well soon, Ruby.

Mervin Gilbert is home from St. Joseph's Hospital recovering from surgery. We wish you a speedy recovery Mervin.

We wish Tim Beaver a speedy recovery following a car accident last week.

Household hint: If sticky dates, raisins or figs will not part company, put them in the oven for a few minutes but keep you eye on them.

Happy birthday to Carl Packard on April 7. Have a good day Carl. We also hope you are shaking off the flu. Congratulations to Jerry Corby, the lucky winner of the HCSA 50/50 draw.

I was prepared to say that spring was just around the corner as the robins and killdeer were all around the yard but when I looked out the window this morning I don't know about that.

The flu is making its rounds again. I hope you are all feeling better soon.

There are no card party winners this week as there will not be another game until Thursday, April 11.

Sherri Wright, Sis Gillis and Pam Reid spent some time in Los Vegas recently. They met some very nice

people while there and just wait until you see the pictures of all the silver dollars they won.

If you have any news for me to include in my column please call 286-3607. Thank you.

I would like to compliment our new boss. I like the large headline above our news. It makes the reader more interested in the column.

The Haliburton District Lions Club are sponsoring a hockey game at the Haliburton arena on Saturday, April 6 at 7:00 p.m. Admission is \$2 per person. The CKVR No Stars will play the Haliburton Chalkdusters. Are you Chalkdusters ready for them?

I would like to take this opportunity to wish you all a very happy Easter. I also hope the Easter bunny is good to all you younger ones.

A chess player who opened a joint checking account with his wife jokingly called her his first checkmate.

Recipe for this week: Tuna Pate - One 4 ounce package cream cheese, one can flaked tuna, two tablespoons chili sauce, salt, pepper and onion powder. Blend cream cheese and chili sauce until smooth. Mix in tuna. Add salt, pepper and onion powder to taste. Add more chili sauce if sweeter taste is desired. Chill for at least an hour. Serve with any kind of crackers.

Mary MacDuff had her daughter Caroline Richardson and family of Oshawa, Cheryl Billings and daughter from Gooderham and Preston Hadley of Oshawa visit with her over the weekend.

That's all for this week. Drive carefully and keep well. I hope to see you all next week.

KEEP YOUR MONEY!

Of course you want to keep more of the money you work hard for. And you could - if you let H&R Block prepare your tax return. As a matter of fact, in a recent survey, 2 out of 3 H&R Block customers who got refunds believed they got bigger refunds than if they did their own taxes. H&R Block helps you get every possible deduction, exemption and credit you're entitled to. Call your nearest H&R Block office today. We could help you keep more of your hard-earned money.

NOTICE OF MEETING OF THE HALIBURTON L.E.A.D. PROGRAM

PERSONS INTERESTED IN BEING CONSIDERED FOR A POSITION ON THE BOARD OF DIRECTORS PLEASE ATTEND:

THE MEETING WILL CONVEENE AT THE LEGION IN HALIBURTON

ON

THURSDAY, APRIL 11, 1985

7:30 P.M.

D'arcy Connaughan and Heidi Tashlin had their art work selected to hang in the Ralls' End Gallery in Haliburton throughout April as part of an effort to recognize the talent of area students.

Minden WI holds meeting at local library

By JEANNE SEARS, P.R.O.

There was an interesting Women's Institute meeting at Minden Library Cultural Centre on March 20 with Mrs. L. Cox reading a verse, "Keep a song in your heart" to begin this. The roll call of Haliburton County Industries was answered by 17 members and one guest, Peggy Harrington who later joined. The card report of 12 cards being sent was read and collections for the Card Fund, Pennies for Friendship and CatScan were taken.

Those attending the rural organizations course at Omamee, Mrs. L. Cox, Mrs. D. Cox and Mrs. C. Lacey, told us of their day and some things they learned there.

Mrs. M. Bunker, district director, and Mrs. C. Lacey, alternate, had attended a district executive meeting at Fenelon Falls and the former gave us a full report. The district annual is May 14 at Fenelon Falls United Church.

Mrs. D. Cox, convenor of agriculture and Canadian industries, spoke on cottage crafts in Haliburton County. She then passed around samples of rug braiding. Names were turned in for a course in rug braiding to be arranged for the fall. A movie, 'Patchwork Quilts' was shown by Mrs. Lacey. Mrs. Wm. Cowen's name is to be sent for In Memoriam. A social half hour and snack followed. The next meeting will be at this same location April 17 with all ladies welcome.

The Echo

The Echo has Specialists in every field.

Hockey players earn award

Wilberforce News

by Winnie Schofield

At the time of the recent Monmouth Cup games the following boys were recognized as the most valuable players on their team: Sean Hudder for the Atoms, Steven Coumbs for the Pee Wees and Murray Sweet for the Bantams. Congratulations for a great performance.

On Friday evening at the Memorial Centre the Haliburton Gospel Choir provided a glorious musical event. The Rev. John Phillips, with great exuberance, took charge of the program encouraging the audience to participate in the singing. A film "Ordinary Guy" was shown. Refreshments were enjoyed. It was a good film, great music and a warm, friendly atmosphere

made it an enjoyable experience.

Saturday, March 30 offered some exciting moments when we joined the Haliburton delegates attending the PC nomination meeting. The enthusiastic group from the North were well organized and prepared to show that their man, Murray Fearrey, was the best possible choice. Murray spoke to a packed auditorium from a platform backed by senior political figures. His speech was well received. Then down the aisles came a wending group of cheering, placard-waving promoters led by a familiar figure, piper Earl Cooper. Speeches from the other three candidates expressed sincerity and the desire to

improve conditions in the riding of Victoria Haliburton. All these men seemed competent and well intentioned but just one could be chosen.

When Murray Fearrey was announced the winner at the end of the second ballot we were proud to be wearing the Murray Fearrey button with its piece of Haliburton tartan attached.

The grand opening of the Country Goodies Shop takes place on Thursday, April 4 when free coffee will be served and you will have an opportunity to call in and see all the changes that have taken place. In the comfortable dining area that has been pleasingly decorated you may order a meal or you may wish to try the take out service. There will be fresh baking goods available for purchase and a sale of crafts and craft supplies. All best wishes to Eva and Flo in this their new business venture.

Pastor moves to new area

Coboconk News

by Shiela Lake

The Rev. David Parker family have moved to Wellington, Ontario, after he served Trinity Full Gospel Church here for some seven years as Pastor. We wish them well in their new charge.

Kindergarten registration was held on Wednesday at the public school. At this time, it appears there will not be enough little ones to warrant a class in our public school here. There must be 10 children in order to have a class. If there are too few, then the children will go to Norland or Kirkfield. I guess there is not much parents can do but it seems too bad that little five year old children

must travel so far to school.

Tony Rocchio and wife Dorothy of Hinton, Alberta arrived to visit John and Rose Rocchio of Grandy Rd. Tony is John's brother. The Tony Rocchio's will visit for a while and will drive back home in a new motor home they have purchased here in Ontario. 'Toots' and Ernie Barkwell are home after a delightful charter bus trip through the U.S.A.

Harold and Marg Rutter of Scarborough were weekend visitors of his mother, Mrs. Ruth Rutter and Harold's brother Garnet. Wayne Rutter of Wilberforce visited his mom early in the week.

Charlie Cameron spent

last week in Toronto on business.

Winners in the card games held in Coboconk Community Hall on Tuesday night were as follows. Euchre: ladies' first, Phyl Pearce, 72; second, Laura Irvine, 71; most lone hands, Howard Stewart, 4; consolation, Charlie Brohm, 42. Bridge: first, Jack Barker, 4270; consolation, Vi Gagne, 870.

Millie Routley is back home again from hospital and her sister Velma Moore is visiting and helping Millie recuperate. Martha Bartley is also home after heart surgery in Toronto and we wish these folks improved health in the months ahead.

Did you know

by Bambi Gilder

Did you know...that the Metropolitan Toronto Library Board offers a computerized bibliographic search service called 'Metroline' which provides fast access to data bases containing references to journal and newspaper articles, conference proceedings, technical reports, books, etc.?

The data bases cover the broad subject fields of science, technology, business, economics, and social science within a specified time span. The end result of a search is a printout of references tailored to meet your particular information needs. If you need information quickly, have a complex topic with many variables or need the most recent journal information, use Metroline at (416) 928-5349.

Please keep in mind that your County Information

Centre is here to help people of all ages find solutions to problems relating to social, health, governmental and environmental subjects. We offer a wide selection of pamphlets, free for the taking, including topics from the best fishing areas in Ontario to appealing Ontario taxes. Take the first step and contact us today at 457-2733. We are open 10:00 a.m. to 4:00 p.m. weekdays, located in the Drag River Municipal Building in Haliburton.

Get set for an evening of fun A note of warning on well

Kinmount Korner

by Millie Moss

How would you like to attend a terrific evening of fun at a hockey game and at the same time be helping in a very worthy cause? It goes without saying, you'd love it. Here are some of the facts: date: Saturday, April 6 (so you don't have to wait too long). Starting time: 7:00 p.m. Place: Haliburton arena. Admission: a very minimal two dollars per person. Teams: "CKVR No Stars" versus "Haliburton Chalkdusters". With a team name like that it just has to be school teachers. The game will be sponsored by some of the "good guys" in this old world, the Haliburton Lions Club. They are hoping to realize at least \$1000 which will be turned over to the School for the Blind in Oakville. The people of this school are at present busily engaged in renovating an old building and hope it will be open some time in May. This Oakville School is the only one of its kind in Canada and can boast of their leader dog training. Why not get a party of friends together and head up to Haliburton arena Saturday evening so you can be in on the fun. If possible, I may even get up there myself and see the goings on.

There were darts at the Sunderland Legion on March 23 with two teams from Kinmount attending. Winners of team play was Feneion Falls with Kinmount as runner up. Players from Kinmount were: Sandy and Wayne Ridley, Art and Bernice Owens.

Haliburton County Home Support Services invites you to attend their "fifth anniversary" and "Welcome Home Snowbird" volunteers. Date: Friday, April 19. Place: Stanhope Firefighters Community Hall, North Shore Road, off highway #35. Time: 12:00 noon dinner. Meeting 1:15 p.m. Guest speaker: Jan Forsythe, Canadian Hearing Society. Dinner reservations are required. Please phone the office at 457-2941 by April 8. Everyone is welcome.

Bill and I enjoyed the company of Bill and Win Wilson for a couple of hours last Friday afternoon. I was hoping to attend the pot luck dinner to honour Father Brooks that evening and

thanks to Joan Hyams for her phone call re a lift to the community hall but sorry folks, I ended up spending the evening on the chesterfield but I was thinking of all of you.

If your little one has lost a beige, wool mitten it can be picked up at the Kinmount Post Office.

I was awakened last Thursday morning to the song of a robin. I didn't see him but I know the music of my favourite bird.

Helen Graham, over in Norland, reports her little snowdrops are peeking about above the snow. Spring is here folks.

I hope your laryngitis is cleared up by now, Marg Hockley.

Results of the Galway Wednesday night card party are: ladies' high, Shirley Yates; ladies' low, Maxine Cross; men's high, Ralph Schroeter; men's low, Colin Longhurst; most lone hands, Ruth Menard and Brenda Longhurst.

A big welcome home to Vi Gammon who has been travelling and visiting many points down East in recent weeks. Vi visited at Nova Scotia, New Brunswick, Cape Breton and says she had a lovely time and enjoyed every minute of it.

The 4-H club will be holding a home bake sale April 6, beginning at 10 a.m. in the vicinity of the Kinmount Post Office.

Congratulations, though belated, to Enza and Christopher Suckling in the birth of their second daughter, early in March.

Don't forget to mark April 20 on your calendar as the date in which you will be cheering on your Kinmount/Burnt River Schools who have entered in the 12th annual Victoria County Elementary Schools' Girls Gymnastic Meet to be held at I.E.

LET'S
SEE YOU
DO IT...
OUTDOORS!

Weldon Secondary School gymnasium in Lindsay. This is a first for our Northern schools and the girls have been training very hard for weeks so come out and give them the backing they need and deserve. Remember it could be one of your own on next year's team.

Jim and Marg Hockley attended an out of town wedding recently.

Bill and I were in Lindsay one day last week and had lunch at the "Country Squire". It's a lovely place, though men are very busy these days in building additions, huge ones, to the present property. The food was delicious and all I can say is "what a time to be on a diet!" If this diet really works the way I hope, folks, I'll pass it on to you if you like. I started the diet myself March 21 and as of March 29 I've dropped nine pounds. So far so good! In a future column I'll give you the recipe and you can ask your doctor if it's good for you and if so, we'll all be out sunbathing this summer.

I opened my front door to a very nice surprise last Friday - Len Pizzev, Editor of this renowned newspaper, and he was complete, down to a lovely daffodil in his lapel, which is to remind one and all - this is Cancer month. Give to a very good cause and thank God if you've never lost a loved one to this dread disease.

The latest addition to Kin-

mount's Jane and Wayne, Joie and Jenny Rolfe will be known as Anthony Wayne. It was nice talking to you again Jane.

Stay well and happy, read the Echo, call me at 488-2353 and remember: maybe we were better off when charity was a virtue instead of a tax deduction.

Guilford News

by Elinor Cooper

The Ken Chumbley family were visitors at Joe and Iris Gibbons', and also at Ken's father's retirement party in Oshawa on the weekend.

Al Cooper and Shirley Rapson spent a few days at the home of their mother, Elva Cooper.

The announcement of a particularly entertaining hockey game will be of interest to the community. The CKVR No Stars will play our Haliburton Chalkdusters team on Saturday, April 6 at 7 p.m. in the Haliburton arena. Two dollars per person should entice sufficient numbers to fill the place and support this Lions Club sponsored event.

A small note of warning concerning concrete-covered wells might be in order. Troy Austen was standing on the cover of one such well when the concrete crumbled, causing his sudden fall. He got himself out with no permanent injury, but it might prove advisable to check for

Please turn to Page 13

Wilberforce

from page 11

A final bonspiel was held on the weekend. This was the Keith Cameron Memorial bonspiel. The results of the games were: Fred Berning rink of Wilberforce in first place; Bob Nixon of the Bancroft Curling Club in second place and Ed Lelinski of the Bancroft Curling Club in third place. This week will bring to a close curling action. It has been a good season for this popular sport.

The Monmouth Library staff appreciates all the articles that have been dropped off for the coming flea market sale. There is still time for those who have been too busy to deliver. Contact Bessie or Donna about last minute donations. Your library will be closed on Good Friday.

The big Maple Syrup Festival takes place on Saturday, April 6 in the Lloyd Watson Memorial Centre. It will include a bake table, arts and craft sale and flea market tables. Yummy pancakes and syrup with sausages will be

served. Dance at night to music by "Laredo". This event is sponsored by your Recreation Committee.

The annual spring rummage sales will be held at: St. Margaret's Church on April 13, 20 and 27. Used clothing may be left at the church building during the next two weeks.

It's Easter time again and a special time of religious rejoicing will be taking place all across Canada. Easter church service will be held on Sunday, April 7 at St. Margaret's Anglican Church at 9:45 a.m. A service of morning prayer will be held at St. Margaret's on Friday at 10 a.m. This is a Good Friday service for April 5.

The Easter service of the United Church will be held in Tory Hill church at 11:30 a.m. The Full Gospel service takes place at 11:30 a.m. and is held at the Wilberforce Elementary school. Everyone is welcome to attend. In Harcourt the Easter service takes place in the evening at 7:00 p.m. in the Harcourt Community Chapel.

County considers budget

from page 2

Correspondence has been received from the Ministry of Transportation and Communications concerning the number of representatives on the County Road Committee. The proposal of the County of Haliburton is that the committee be composed of 25% of the members of County council with a minimum of three members and a maximum of seven members.

The Haliburton County Information Centre will be permitted to use the name of Haliburton County.

The Personnel Committee will be responsible for negotiations of all collective agreements and dismissal of personnel only, and after second stage of any grievance.

W.G. Howe gave the monthly library report. Reports received about the Haliburton County Library being one of the best library systems in Ontario.

W.G. Howe also gave a short report on the Committee status and asked County council for a moment's silence in memory of the late Norman Johnston, Office Supervisor, County Roads Department.

H. Clark reported that the property committee had not had any further meetings, but had approved the purchase of a new vacuum and

some renovation work at the Registry Office.

R. McCausland reported that a survey has been done at Hyland Crest Home to help the housecleaning staff deal with the distance they have to travel to do their job properly. They are also in the process of setting up a new evacuation program for the safety of the residences at Hyland Crest Senior Citizens' Home.

M. Fearrey gave the monthly road committee report with Bill Obee giving some extra details on the work crews.

M. Fearrey reported on the steering committee meeting prior to County council at which time the committee appointed Sid Cooper, Deputy Reeve, Municipality of Dysart et al., to the Hyland Crest Committee, and to the Property Committee. Ed Pergolas, Deputy Reeve of Anson, Hindon and Minden, was appointed to Personnel, Planning and Road Committees during the absence of Reeve L. McKnight.

G. Lewis reported that the new Children's Services coordinator at the Haliburton office was doing fine and that things seemed to be going well.

K. Tallman reported that the Health Unit has been working on its budget, but nothing has been settled to this point. He also mentioned

a rabies clinic to be held in the spring.

R. Duncan reported that the Children's Aid Society has been working on its budget. He said it would keep the Management Committee informed of any major changes.

Management Committee Chairman H. Davis reviewed the 1984 revenue and expenditures and presented the 1985 proposed budget, discussing individual items involved. The 1985 budget was accepted as presented. N.R. Gambell voted against the 1985 budget.

By-law 1310, a by-law for the purpose of confirming apportionment of County liability for municipalities within the County of Haliburton for the year 1985 and authorizing the levying of certain estimated requirements by the County of Haliburton for the year 1986, was passed.

By-law 1311, a by-law for the purpose of adjusting the salary of the county Clerk-Treasurer and Secretary-Treasurer of the Land Division Committee of the County of Haliburton, was passed.

By-law 1312, a by-law to consent to the passing of a by-law by the Townships of Anson, Hindon and Minden

to close, stop up and convey part of the original shoreline road allowance along the shore of Gull River, in front of Part Lot 8, Concession 4, Township of Minden, was passed.

By-law 1313, a by-law to consent to the passing of a by-law by the Township of Stanhope to close, stop up and convey part of the original shoreline road allowance along the shore of Maple Lake, in front of Part Lot 21, Concession 4, Township of Stanhope, was passed.

By-law 1314, a by-law to consent to the passing of a by-law by the Corporation of the Municipality of Dysart et al. to close, stop up and convey part of the roadway known as Wenona Road East, Plan of Subdivision Number 482, Township of Dudley, was passed.

By-law 1316, a by-law to consent to the passing of a by-law by the Township of Glamorgan to close, stop up and convey part of the original allowance for road in front of Lot 26, Concession 7, Township of Glamorgan, was passed.

By-law 1316, a by-law to authorize the construction of certain roads in the County of Haliburton, was passed.

Spring brings changes to the world

Naturalists

from page 5

in heralding spring's arrival.

Bird and mammal species - each with their own definition of "spring" - respond differently to various daylengths. Our wild cats are all active now. Bobcats are pairing off and mating. Lynx are now seeking out mates, often shrieking and caterwauling in the north woods. Many cougar give birth at this time, taking advantage of late-winter's easy prey.

Coyote and red fox are both at the peaks of their breeding seasons. Surprisingly common throughout cleared and marginal areas of southern Ontario, they often wander some distance from their dens, in search of mates. The distinctive, 'yappy' howls of courting coyotes are often heard about dusk.

Timber wolves, animals of extensive northern forests, are just starting their very vocal courting.

Raccoons and skunks are now emerging from their dens to breed. Beaver, red and grey squirrels, mink and a host of mouse-like mammals are all mating.

Black bear are now giving birth in hibernation. Their now-tiny, helpless young will develop fantastically by Maytime emergence from the dens.

There's little that happens by accident in nature, and the events now occurring are no exception. The mammals that are mating now have a 60-100 day gestation period. By breeding now, the young will be arriving early in the warm season, when they'll have abundant food and a long growth period before next winter's onset. If mating didn't occur until spring, the development period for young would be chopped by 2/3.

It is interesting that a number of mammals with five or six month gestation periods have special adaptations. By rights, that period would have them seeking out mates in the very depths of winter, will all of the attendant vigors and risks. Instead, they mated last fall, but the implantation and development of the fertilized eggs was somehow delayed until mid-winter. The young, developing right now, will be ready for birth when spring's warmth and food arrive.

In addition to the great Horned Owl, Canada Jays (or "Whiskey Jacks"), Crossbills and some ravens are now nesting. All have special adaptations to cope with the cold, and to take advantage of food supply, or other advantageous quirks.

For those who look closely, much is happening now. Even in your backyard, watch for the last of the squirrels, playing tag-team as they chase mates about on warm late winter days. Listen for cardinals beginning their early territorial singing. And for raccoons, which often kick up a yowling rucus while courting. Keep your nose peeled, too, for emerging skunks.

HIGHLAND ST. HALIBURTON 457-2295

April has arrived at the Village Wool Shoppe bringing the

"Robin" a completely new and exciting line of wool cottons.

Linens, peresles and patterns.

Come see the Robin.

Coffee speakers rearranged St. Patrick's day celebrated at Hyland

Drop in Centre

The Drop-In Centre spring brochure has had a second printing. The coffee hour speakers' order has been rearranged. A new program is posted in the Haliburton and Minden Post Offices.

Coffee hour starts at 10:00 a.m. (this allows the speakers to work their schedules around our program.) The aim is to have the speaker address his topic for half an hour with a question and answer period following and then time to have a second cup of coffee and to socialize.

To date we've had four excellent programs. Leo Dobrzynski gave us an accurate picture of what the first settlers faced upon arriving in Haliburton. Mrs. Dobrzynski is working from documents, not just people's reminiscences. To illustrate how difficult settling here was we were told that 65% of the original settlers did not stay in Dysart. Ian Douglas and Al Bull, Ambulance Officers, explained the Haliburton County emergency services available to us and how we can best use their services. Constable Chapman from the Minden Detachment of the O.P.P. outlined various scams used to separate people from their hard earned money. It is important to recognize these schemes and important to know what to do about them. He stressed alerting the police if you are in doubt about a sales pitch or contacting the Better Business Bureau.

Howard Roberts, acting Fire Chief for the Haliburton Volunteer Fire Department, explained how the volunteer fire department operates under the same rules as full-time fire fighters. He stressed fire prevention - things to look for in your home that have the potential for fire. The best measure is to plan for the eventuality of a fire. One is not likely to have a fire in the home but most people panic when one does occur. So having a plan of how to get safely out of the home in the case of fire is essential. This planning should also carry over to when one is in a public place, to always note where the exits are and if a fire should occur how will I get out?

Our coffee hour speakers are local people telling us about their field of expertise in our area. The aim is to help us become better informed about services available to us and how we can best work with them. Coffee

hours are Monday and Wednesday mornings at 10:00 a.m. The speaker on Wednesday, April 10 is Heather Clark, activities therapist, Extencicare, addressing the topic of lifestyles for the elderly. There will be no morning program Easter Monday, April 8 and the Drop-In Centre is closed Good Friday, April 5.

The spring session of swimming will commence

April 3 at Locarno. It will run for 10 weeks. To register please contact Connie Love at 457-2725.

The movie Tuesday, April 9 will be "Butch Cassidy and the Sundance Kid". Please come out and join us for these activities available to any retired persons 55 and over and any handicapped persons.

Municipal

from page 2

it is passed at the Ministry's request to reflect "house-keeping" changes and does not change any of the committee's authority or responsibility.

guessed, the closest to the weight of the blarney stone, she also guessed how many potatoes were in the 50 lb. bag. Congratulations Annie we would like to say, for you were the winner on St. Patrick's Day.

Tuesday night Fred Ballard came to entertain. Fred plays fine organ music, and comes when it is his turn, whether there be snow or rain.

Thursday afternoon the ladies from Maple Lake came

down and brought a lovely lunch, which was just fine. We also had a birthday party with a birthday cake for those who had birthdays in the month of March. We thank you for coming ladies, and giving us your time. We know most of the ladies who came down today. We got to know them when we lived up that way.

We see a pair of robins outside our windows today. So spring can't be too far away.

We thank Murray King for coming to call the bingo Thursday night. Some players didn't win a bingo, others did alright. Congratulations to Arnie Wright we would like to say, for she has a birthday this 30th of March day.

We are sorry to report that Edith Welch has a bad fall and is in hospital. We hope it won't be too long before she'll be back with us again.

Our entertainers came again on this 29th of March day, Grace to lead us in a sing-a-long, Norman the music to play. Grace always has some humorous poems and sings some interesting numbers. We always look forward to them coming again.

Now to all my dear readers who read my senior lines, we wish you all the very best at this glad Easter time.

ONTARIO GOVERNMENT TENDER
NOTICE TO EQUIPMENT OWNERS
RENTAL COMPANIES, ETC.

All equipment owners are hereby invited to mail a letter, itemizing their equipment which is available for hire in order that their names be included on the mailing list to receive Invitation Bid Contract Tender forms and specifications and Telephone Inquiries for rental equipment required by this Ministry during the year 1985-1986.

Letters must include a detailed list of equipment available for hire, showing information such as:

Trucks: make, model, year, single or tandem axle, G.V.W.

Loaders: make, model, year, minimum operating weight, 2 or 4 wheel drive, crawler, gas or diesel.

Replies should be addressed to:

D.A.O. White,
District Engineer,
Ministry of Transportation and
Communications,
207 Main Street West,
HUNTSVILLE, Ontario

From the family of the late Walter J. Klapow; to Dr. R. Heyes and Nurse Toni Carr, Max Walsh and Kerry Barbor of the Monmouth Fire Department First Response Team, the Haliburton Ambulance Service drivers for their quick action when called to the home of Walter Klapow. You tried so hard for which we will always be grateful. To Gordon A. Monk Funeral Home, who did a wonderful job of making the final tribute to him memorable and for their kindness and concern shown to the family. To Maurice Bradley for his Inspiring Eulogy. To Pat Gallen, president, Royal Canadian Legion and members of Branch 624 Wilberforce, Mr. Wally Smith, Royal Canadian Legion Zone F5 Commander, and the Oshawa Naval Veterans Club, Oshawa for the beautiful service and tribute to a comrade and friend. To all the other branches of the Royal Canadian Legion who attended to pay their last respects. To Sally Mather, Ladies' Auxiliary Royal Canadian Legion Branch 624 and the United Church Women for organizing and serving a lovely lunch on such short notice. And to all of our friends and neighbours near and far for the cards, flowers and kind words. From wife Lucille, sons Robert and Wayne, daughter Suzanne Anderson - Thank you one and all. 27-B-3

In loving memory of a dear wife, **VERA ISABELLE BULL**, who passed away April 6, 1974. I have lost my soul's companion, A life linked with my own; And day by day I miss her more As I walk through life alone. Sadly missed by husband Andy. 32-P-3

In loving memory of a dear mother, **VERA BULL**, who passed away April 6, 1974. A wonderful mother, woman and aid; One who was better God never made. A wonderful worker, loyal and true, One in a million, that, mother, was you. Just in your judgement, always right, Honest and liberal, ever upright; Loved by friend and all you knew, A wonderful mother, that mother was you. Sadly missed by daughter Sharon and family. 32-P-3

TRUMBULL, Mabel - In loving memory of a dear Mother, who went to be with her Lord, April 5, 1980. In a peaceful place she awaits us all. Resting where no shadows fall. God will link the broken chain Where one by one we meet again. Lovingly remembered by Blanche and family. 32-P-3

IN MEMORIAM

In loving memory of a dear mother, **DELLA GRIFFIN**, who passed away March 28, 1983. A wonderful mother, woman and aid; One who was better God never made. A wonderful worker, loyal and true, One in a million, that, mother, was you. Just in your judgement, always right, Honest and liberal, ever upright; Loved by friend and all you knew, A wonderful mother, that mother was you. Sadly missed by Lila and Peter Gray and family. 32-NC-3

In memory of **Mabelle and Mossom Minaker** - Our grateful hearts remember all the things they were to us. The unfailing service, the caring, the sharing. The love they showed to others, the model of their lives, especially to the young who visited and loved them. We thank God that for awhile we travelled the same path and we saw in them the purposefulness of life. They had a way of making each moment count and seemed to find in every precious hour a Heavenly blessing. You are missed. Paul, Jeff, Chris, Shawn, Anne and Harry. 32-P-3

Fund raising events planned

CHACE News

By ERIC LILLIUS

You may wonder why we hold many fund raising activities throughout the year. CHACE receives the bulk of its funding from the provincial department of Community and Social Services. We are, however, required to raise a percentage of our funds. We raised around \$200 with the pancake breakfast to start off our new financial year. Our goal this time is \$3500.

The next fundraising venture is a yard sale to be held on the 26th and 27th of April. If your spring cleaning turns up clothing and items that you would like to contribute please call the office at 754-2989 during the day. We will even pick up your offerings. The May money-maker will be a Mother's Day dance for which details will be forthcoming.

It's membership time again. To celebrate we will be holding membership week during the last week of April. There will be a Friendship Tea on Wednesday at 11:00 a.m. and 2:00 p.m. Now's the time to get a membership or renew an old one.

The April special activities will include Easter crafts and egg hunt, kite making, making stained glass windows with tissue paper, starting a garden (when the snow disappears), and starting plants. CHACE is having its second birthday on April 14. Check our schedule in the coming events section.

We are also offering seven week workshops on "How to Talk so Children will Listen and How to Listen so Children will Talk" in Minden and Haliburton starting on April 9. The charge is \$5 for members and \$7 for non-members. For details call CHACE.

The baby sitting co-op meets every second Tuesday morning at 10:30. Jennifer

Ketner and Pat Martin are the push behind this. The basic idea is an exchange of

services among the members. Call the office for details.

After a week of voting, new members were elected to the board of directors at the annual meeting on March 28. The executive is as follows: chairman, Rosie

Kenney; vicechairman, Pat Martin; secretary, Diane Hagerman; treasurer, Anita Dillon. The other members of the board are: Malcolm Savage, Jennifer, Ketner, Karoul Talaba, Glenda Burke, Lynda Campbell, Marion Harris and Lyn Duncombe.

ALCD consider future

from page 10

For seven years Gerry Feltham has been the moving force behind the annual Festival of Fun, an evening of song, dance, humour and entertainment which is the main fund raising event of the ALCD and a community tradition.

The service clubs of the county have all been generous in their support of association projects but ultimately it must be the parents of L.D. children who show the most concern. It was therefore most encouraging to see a large number of people who attended the

meeting on Monday night to express their concern for the continuation of our ALCD.

Mary Roberts, a teacher specializing in learning disabilities, spoke to the group of her own experiences in the U.S. of the value of parent groups and the influence they can have when they work in co operation with the school to provide suitable learning conditions for their children. Inspired by her enthusiasm it is hoped that the local group can work with renewed effort to be a help to children as well as a mutual support group to parents who may often feel alone in their

struggle to help their child cope with his difficulties. It helps to know that other families have survived. It is estimated that at least 10% of children suffer from varying degrees of learning disabilities.

There will be another meeting at 8:00 p.m. on Monday, April 15 at the J. Douglas Hodgson Elementary School to decide the course of the Haliburton County ALCD and it is hoped that all parents of L.D. children as well as L.D. adults, teachers and anyone interested will attend.

Municipal Report

from page 2

opposed to the basic concept of this proposal, but that he was very concerned that many problems might be created in an already congested area.

By-law 85-23, a by-law to rescind previous By-law 85-19, was passed.

By-law 85-24, a by-law to appoint an officer to enforce the provisions of County of Haliburton By-law 1270, was passed.

Council will petition the Township of Stanhope to equally share in the costs which result from carrying out required remedial work to the Crooked House Road Bridge, since this structure is located on a road which forms a boundary between Stanhope and Anson, Hindon and Minden Townships.

The 1985 program of expenditures for the Road Department in the total amount of \$409,200.00 was adopted.

Requests for supplementary funding will be made to the MTC as follows: Crooked House Road Bridge, \$15,000; purchase of loader, \$45,000.

Gravel for crushing in 1985 will be obtained as follows: Kent pit 5,000 yards at .55 cents; Francis Thomas pit, 5,000 yards at .55 cents.

Tenders were called for the crushing of 10,000 yards of gravel at two sites, off the belt, and the tender will be made together with the Townships of Lutterworth and Stanhope, for crushing dates at the Francis Thomas pit that are compatible with

the Old Mill Resort.

Amended policies concerning the closure and sale of portions of shoreline and concession road allowances were presented to council for comment and review. These policies will be finalized at a later meeting.

The amount of \$21.56, representing accrued penalty on water and sewer usage charges, was written off tax account No. 10-436.

Council agreed to give a Quit Claim Deed to Alfred and Betty Milburn for Part 4 on the plan of survey subject to confirmation by our solicitor.

Brian Sisson was authorized to obtain the required prices for an engineer's report on the Minden arena and community centre, pursuant to the request from the Ontario Ministry of Labour.

Council nominated Frank Wallace (individual category) to receive a recognition for his substantial contributions to local heritage projects by the Friends of Heritage program.

Council will respond to the letter from the Kent Flood Disaster Committee with a contribution of \$50.

Council will submit an application under Experience Development (SEED) program to employ one student as manager of the Boundary Information Centre for 14 weeks commencing May 18, 1985.
